The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact the Benefits Department at 1-866-755-6974. For general definitions of common terms, such as allowed amount, balance billing,

coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at <u>brmsonline.com/dignityhealth</u> or call 1-866-755-6974 to request a copy.

| What is the overall <u>deductible</u> ?                                   | Dignity Health Central Coast Network:<br>Individual: \$250 / Family: \$750  | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services<br>covered before you meet<br>your <u>deductible</u> ? | Yes. <u>Preventive Care</u> and primary care services are covered before you meet your <u>deductible</u> .  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount.<br>But a <u>copayment</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .   |
| Are there<br>other <u>deductibles</u> for<br>specific services?           | No.   | You don't have to meet deductibles for specific services.  |
| What is the <u>out-of-</u><br>pocket limit for this <u>plan</u> ?         | The Medical <u>Out-of-Pocket</u> Limit is<br>separate from the Prescription Drug <u>Out-of-Pocket</u> Limit.<br>Dignity Health Central Coast Network:<br>Individual \$1,000 / Family \$3,000<br>Prescription: Individual \$500 / Family | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?                  | \$1,000<br><u>Premiums</u> , <u>balance billing</u> charges,<br>penalties for failure to obtain<br><u>preauthorization</u> for services, and health<br>care this <u>plan</u> doesn't cover.   | Even though you pay these expenses they do not count toward the <u>out-of-pocket limit</u> .   |
| Will you pay less if you<br>use a <u>network provider</u> ?               | Yes. See <u>brmsonline.com/dignityhealth</u> or<br>call 1-866-755-6974 for a list of <u>network</u><br><u>providers.</u>  | The <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> .<br>There is no coverage if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance</u> <u>billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |

| Important Questions  | Answers   | Why This Matters:   |

| Do you need a <u>referral</u> to see a <u>specialist</u> ? | Yes. Authorization of the referral by the plan is required. | This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a referral before you see a <u>specialist</u> . |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

## About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost-sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
